**Anreise ins Gastland (Empfehlungen, Schwierigkeiten)**  
**Travelling to the host country (recommendations, difficulties)**

Traveling with Deutsche Bahn was a bit complicated, because of the strikes they do a lot and delays. If I would not had a lot of delays and didn't miss some trains, traveling would be really comfortable.

**Leben im Gastland (Kultur, Unterkunft, Öffentlicher Transport, Essen, Lebenskosten)**  
**Life in the host country (culture, accommodation, public transport, food, costs of living)**

Great, friendly people in Weimar and in my group of other Erasmus people. I had great experiences. Accommodation was really close to the university approximately 2 minutes, very nice and clean room with shared kitchen and bathroom and the price was adequate. Food and public transport was included in my service package, which the host university offered us for also a nice price.

**Bei Auslandsstudien: Reflektion über das Studium**

(Lehrveranstaltungen, Sprache, Lehrende, Studierende, Auslandsbüro an der Gastuniversität)

**Bei Auslandspraktika: Reflektion über das Praktikum**

(Art des Unternehmens, Arbeitsaufgaben, Betreuung)

**Study Mobilities: reflection on the study program**

(courses, language, teachers, students, International Office at the host university)

**Traineeship Mobilities: Reflection on the internship program**

(Type of enterprise, work tasks, support)

Course was really nice and open to do whatever project you want to create in the course. The language was english so it was perfect. Teachers were really friendly, open and helpful. I have made great friends and contacts with the other erasmus students. The Internation office was close to my campus and people were kind, could be just open more times and longer.
