Please submit the title of your diploma/ Master's thesis at the student's office 6 months before you are planning to take the thesis presentation.

RESEARCH-BASED / ARTISTIC* DIPLOMA THESIS / MASTER'S THESIS*

If, after submitting this form, you decide to change the title of your thesis, you will have to fill out and submit the signed form at the student's office again, before you hand in your completed thesis and sign up for the thesis presentation at the student's office.

Several students can work on the same thesis, however, they need to indicate clearly which parts were completed by which students, so that they can be graded separately.

An artistic thesis needs to consist of an artistic part, which is the main focus of the thesis, however, it also needs to include a written documentation.

Language of your thesis: _____

Title of your Diploma thesis / Master's thesis:

It should be reasonably possible to complete the thesis within six months. Please state the title of your artistic thesis on the written documentation. The title of your thesis will be printed on your graduation certificate.
