

## Information for international applicants

Applicants from an EEA country and Switzerland:

Not later than after the expiry of three months from the moment of settling in Austria, citizens of EEA countries or Switzerland must request a confirmation of registration (“Anmeldebescheinigung”) from the competent district administration authority\*.

International applicants not requiring a visa to enter Austria:

Entry into Austria should occur shortly before the admission examination. After the admission examination has been passed successfully, the applicant must immediately request a residence permit – student (“Aufenthaltsbewilligung – Studierender”) to be issued by the competent district administration authority\*. The residence permit can only be granted for the duration of the legally permitted visa-free stay in Austria.

International applicants requiring a visa to enter Austria:

1. An application for a visa to participate in the admission examination must be made to the competent Austrian professional representation body = embassy or consulate general.
2. After undergoing the admission examination and no later than the visa expiry date, applicants must return to their homeland.
3. If the admission examination was passed successfully, the applicant must request a residence permit – student to be issued by the competent Austrian professional representation body. This application requires a confirmation of the student’s successful passing of the admission examination. This confirmation is issued by [studien.office@kunstuni-linz.at](mailto:studien.office@kunstuni-linz.at).
4. If the applicant is granted a residence permit by the competent district administration authority\*, he/she/they may enter Austria with a visa.
5. The residence permit is issued in Austria by the competent district administration authority\*.

We would like to emphasise that it is within the exclusive competence of the competent district administration authority\* to approve or reject your application as the case may be.

For information about work permits (employment permits) for international applicants (except from EEA countries and Switzerland) please contact the Public Employment Service Linz\*\*.
